

REGISTRATION FEE: \$40.00

IEP Development for Adapted Physical Education

This workshop focuses on how special educators and speech-language pathologists team together to make collaborative decisions on communication programming for students with speech/language impairment. An extended model of service delivery is provided along with ways for IEP team members build capacity for assistive technology/AAC across the school day. A range of AT communication solutions is provided within the low to high tech continuum.

Instructor(s): Jeff Adams

Participants will get .6 CEUs
